

POETRY PROMPT 1

OBSERVE

Sit outside or look out a window and observe. Take notes. Use the prompts: I notice, I wonder, and it reminds me of.

You can also use these questions to get you started:

What do you hear?

What do you smell?

What do you see?

What does it feel like?

WRITE

Use your notes to write a poem.

EXAMPLE

Observations:

The iris buds are purple and bright green. I wonder when they will bloom.

The brick is warm from baking in the sun.

Everything is covered in yellow pollen. Is it pine pollen?

Poem:

The brick is warm against my feet.

Covered in yellow pollen as if the sun has blossomed
and in its joy sent yellow dust to wake the earth.
